1. Introduction

- This document outlines the features and functionalities of the Combined Application Form (CAF) that an investor needs to fill for establishing new industrial units in Karnataka, as well as for the expansion, diversification, and modernization of existing industrial units in the state.
- It details the CAF application process, including submission and processing by officials at both the state and district offices and by relevant (SHLCC/SLSWCC/DLSWCC) clearance committees. Additionally, it covers key activities related to CAF approvals, such as amendments, recording government orders, scheduling meetings for approvals, ratifications, appeals, application withdrawals, and cancellations.
